Meet the Teacher

This is an opportunity for parents with older pupils to meet the Phase Leader and class teachers and have a brief outline of the curriculum and what is being taught to your child for this coming year. Here are the following dates for respective year groups:

Year 2: **26/9/17**

Year 3: **14/9/17**

Year 4: **25/9/19**

Awards

We were awarded with our Healthy School's Certificate. This means that pupils can only bring in healthy snacks although a treat is allowed every Friday.

We were also awarded with a Water Safety Gold certificate for all the fantastic posters and workshops that took place before the summer holidays.

PANTS- Safeguarding

We had our first Safeguarding assembly last week using the [NSPCC- Underwear Rule](#). This is the first of a series of regular

safeguarding assemblies to keep all your children safe. If you want to learn more about this assembly click on the link which will take you to the song.

Attendance

Please note as a Spotighting School penalty notices can be issued to the parents of all pupils who have any unauthorised absences. Fines are £60 per parent for unauthorised absences.

Holidays in term time cannot be authorised. Mrs Downs is our new attendance lead and she will be contacting you if your child is not in school. Please see the [parents page](#) which outlines the importance of attending school every day.

Toilets

We had hoped to fully renovate the boys Y3/4 corridor toilet during the summer break, but unfortunately due to a manufacturing issue there has been a delay. We are told that it will be a couple of weeks before they are finished. We are sorry for any inconvenience this is causing. The toilets are being refurbished to action the School Council recommendation from last year.

School Council Elections

If you want your child to exercise their pupil voice and make a difference to our school, chat to them about putting themselves forward this year. School Council Elections are taking place on Friday 22/9/17. This is a great way for your child to learn about democracy, British values and represent other children in their class.

New Tag line

To reinforce our growth mindset values and ensure that everyone can articulate and understand what our school is about we have changed our tag line to:

"We aim high and reach for the stars"

You will see this on letters, but try and reinforce it with your child to ensure they are doing their **very best** at school and at home.
