

# ROBIN HOOD

## Dear Parents/Carers

Time is flying, SATs are finally over and we are looking forward to the last half of this academic year.

### Hot Weather

Please ensure that your child has a fresh water bottle and brings in suncream or a sunhat in the warmer weather. If your child is fasting for Ramadan, please ensure they understand that if they become ill or weak in the hot weather, we will encourage them to break their fast and have water. We may have to call you if we are concerned.

### Wellbeing

Thank you to parents who attended the wellbeing mornings. I hope they have been of use. Community wellbeing is important to us all.

Last week was Mental Health Week, we marked this week looking at our own well being and making paper chains with ideas on how to relax.

Phonics Screening Tests will soon take place for our year 1 pupils. [Week commencing Monday 11 June 2018]. Meetings with parents are taking place today 24/5/18.

### Royal Wedding

We all celebrated the Royal Wedding last Friday in school and we hope that you enjoyed the event on the television at the weekend. It was a wonderful day and such a great way to show the positives of joining countries and cultures together.

### Traffic

A massive thank you to parents who are supporting the Community Police Officers this week by giving out stickers to children and parents. These are to remind everyone to be safe near our school. The golden rule is to keep traffic and pedestrians separate. See the [Traffic Guidance Report](#).

We must also be tolerant and respectful to Pitmaston Road residents, by not blocking drives and ensuring that traffic can flow freely.

### Article 12

You have the right to give your opinion, and for adults to listen and take it seriously.

## Parent Forum

The next Parent Forum meeting will be **Thursday 7th June at 2pm**. If you have anything that you want to be discussed, contact your Parent Forum Representatives. Have a look at the Parent Forum board, near year 4.

## Arts Week

Arts week will be **4th-8th June. On Friday 8th** we will invite all parents to view the art exhibits, ready for our Take One Project entry. This will be at **8:45 am- 9:30 am** in the old hall. We welcome your artistic perspective.

## Water Aid Day

We are asking children to dress in blue and to donate **£1** per family to raise money for Water Aid tomorrow, **25th May**. We have lots of exciting but wet activities planned, including making our own pipeline right across the school!

## Dyslexia Parent Workshop

If you are concerned that your child may have signs of dyslexia and are unsure how to support them, please attend this free workshop at our school on

**Monday 11th June 9-11 am.**

**RHA: "We aim High and Reach for the Stars"**

### Article 29

Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

## Core Values Reminder

These values underpin everything we do in our school.

**Robin Hood Academy**  
We Aim High And Reach For The Stars

## Our Core Values are:

At Robin Hood Academy these core values underpin the ethos of our wonderful school.

### 1. Respect

At Robin Hood Academy we respect the views of everyone, having due regard for people's wishes and feelings. We always treat others as we would want to be treated.

### 2. Innovation

We are imaginative and creative; we ensure that new technology underpins our learning. We cultivate the learning through enterprising, exciting initiatives. Our curriculum is rich and allows new ideas to flourish.

### 3. Equality

Equality is about ensuring that every individual has an equal opportunity, regardless of disadvantage. At Robin Hood Academy we ensure that there are "No Outsiders," we promote Fundamental British Values in our school. We have a strong growth mindset to ensure success. We celebrate our differences!

These core values are reflected in everything we do and form the basis of our behaviour policy.

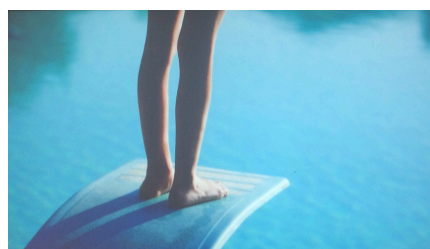

We reinforce the values every day, around the school and in regular assemblies.

Parents can really help with this by also talking about these values at home.

## Apple Talk Wednesday 6th June

I would like to invite **all parents** to a talk about Apple Education. This will give you feedback on what was shared with me about the culture and views of this amazing company and what this means to us as a school, over the next 12 months. The talk will take place **9:00 am-9:30am** in the old hall.

## Dates for your Diary

**Half term: 28/5/18-1/6/18**

the  
Date*

## Attendance

### Article 3

All adults should do what is best for you. When adults make decisions, they should think about how their decisions will affect children.

We cannot stress enough, the importance of good attendance. This is the key to successful learning. Please note, as a **Fast Track School**, penalty notices can be issued to both parents of pupils who have any unauthorised absences. Fines are £60 per parent for unauthorised absences.

Holidays in term time cannot be authorised. Mrs Downs is our attendance lead and she will be contacting you if your child is not in school. Please see the [parents page](#) which outlines the importance of attending school every day.
